NEW ASSOCIATE JUDGES' WITHOUT NOTICE LIST

Please be advised that **effective April 15, 2026**, and until further notice, the Associate Judges, Winnipeg Centre, will be adding a weekly list to hear without notice notices of motion that fall within the Associate Judges' jurisdiction in the Family Division and General Division of the Court. This list will be held weekly on Wednesday at 2:00 p.m. A form of Order for consideration of the presiding Associate Judge should be submitted with the required motion materials.

Nothing in this notice is meant to restrict parties from continuing to have without notice notices of motion heard on the daily Winnipeg Associate Judges' uncontested list at 9:30 a.m. In other words, without notice motions may be filed on either list.

The new without notice list will be heard by way of teleconference. The teleconference number is 1-833-231-5001 with a Participant ID number of 5763182.
